Waste Free Lunch!

Be prepared for our Waste Free Lunch!

On your Wild things day out in Glen Affric we will be weighing the compost and non-biodegradables produced at lunchtime and talking about who in the forest turns this waste back into soil, or indeed can it be turned back into soil at all?

See if your class can be the first ever to produce a 'Waste Free Lunch!'

(Things that help are bringing reusable drinking containers, sandwich boxes that fit sandwiches in without having to use plastic wrap or foil etc.)

See you soon!
The Wild things! Team
